Club House Access

Keyless entry locks have now been installed on both Club House doors. A mechanical lock (no battery) has been installed on the front door and the electronic lock from the front door put on the back door. Thanks go to Mike Morgan for making this happen and his timely responses to all of our "lock" issues. Just a reminder, gate and Clubhouse code, will be changed at the July meeting. (see back of your membership card for the new code)

14 New Target Frames

A work detail was held Saturday June 28th, to put together 14 new Target Frames. Eight members participated. The new frames should last until the end of the year. We changed the size of our target frames about two years ago and they are holding up very well. We won't have to make replacement frames until 2015. Thanks to members that helped -- Robert Burns, Rob Faldetta, Tom Giunta, Bryce Hetherly, Brian Hetherly, Stan Kahn, John Spignardo, Bob Vogel sr.

Club trip to Maine

Fishing on the Bunny Clark is set for October 25th.
 Boat is full but I am taking names in case there are openings.
 We plan on driving to Maine on Friday fishing all day Saturday, and returning home on Sunday.
 Cost of the Boat \$195.00.

100 Yard Shooting Gallery

Frank Reynolds "The Keeper of our 100yd Range" and his crew have outdone themselves again.

For those of you that don't know, Frank maintains and constantly upgrades our 100yd targets, giving members something to shoot at safely.
 The latest upgrade was done on June 28th with the help of Dave Degraw, Joe Ponessa, and Gary Warden. Thanks guys!

Triathlon Challenge scheduled for August 17 has been canceled. Doug has not set a new date to my knowledge but it will be rescheduled. Bob V
