FYI new members--Plates are Club property and can be used by any member when the Range is open. Plates are kept in the shed by the Range that is not locked. (just hard to open) Plates are for use with any pistol caliber or rim fire firearm only! Plates are not to be used with center fire rifles! Center fire rifles will destroy the plates. If you use the plates put them away. Before shooting remember to sign-in, to sound the horn located on the back wall and that **NO SHOOTING IS ALLOWED OUTSIDE OF THE RANGE HOUSE.**
