Forum Registration
Just want to let you know I have updated membership list; next members event reminder will be
going out Wednesday 21st and every 3rd Wednesday after that.
Also, I usually don't go to the forum site, so if a new member wants to register for the forum on
our website, they need to let me know they have done so. This way I can ACTIVATE their sign
in; I would need their name and user name on forum. Klaus
