## Just A Thank You

The hunter ed class and the bow ed class Both were a great success; had a total of 50 people between both classes. I would also like to thank all of our members for their participation by not using the range during both classes.

We also made use of the pavilion instead of the club house for both classes, the students really enjoyed being outside, myself included.

Several students asked for contact information on joining the club which will hopefully add some great people to our membership.

Thanks again Bethlehem Rod and Gun for the use of our facilities.
