Shooting clay targets is a very cleansing experience. It's very relaxing. It takes a lot of concentration. It's also very social, since you're usually shooting with friends. You can talk and forget about almost anything else that's on your mind.

A woman who has never seen her husband fishing, doesn't know what a patient man she married !

When in doubt, exaggerate.

The favorite to win the Olympic gold medal in archery is a legally blind athlete from South Korea, mainly because everyone else is too scared to compete next to him.

Bethlehem Rod and Gun Club Membership 2020-2021

Hoping this notification finds you and your family well! Due to the Coronavirus limitations we are facing, the board has decided to relax some of the membership constraints for this year:

- (1) Exempt Senior members from the (4) work hour contribution,
- (2) Lower the work hour obligation for adult members from (8) hours to (4) hours, work hours during the spring cleanup are not readily available this year,
- (3) The board recognizes timing of new prospective member induction may be difficult to assemble for, it has therefore been decided both introductions and voting of new members will be conducted at the August membership meeting,
- (4) We are going to renew membership by mail this year to avoid close personal contact. The postage fee (of \$3.50) generally required, will be waived this year.

The last day to renew membership is still June 30th.

Please mail a check or money order along with the bottom half of your membership card (work hour log). If mailing presents a hardship for anyone, call me and we can make arrangements. Please make certain you legibly provide your latest return address, and any updates to phone numbers, email addresses, or any other pertinent information.

Make checks out to Bethlehem Rod and Gun Club, or BR & G Club.

If you have any questions or need help determining what your status might be, please reach out, I'd like to make this as smooth as possible for all members!
